

# Where to find the latest Data Domain documents

This is not so easy and even caused me a headache. The reason is, that the storage location does not follow the usual 'product standards' as they exist for NetWorker.

- You better start with this URL:

<https://www.dell.com/support/kbdoc/en-us/000126375/powerprotect-and-data-domain-core-documents>

On 07/22/2022 you could see this list:
